carsonjackson.com · Button Factory Studio, Portsmouth NH & Portland ME

Carson Jackson is a self-taught contemporary abstract artist based in Maine. Working in mixed media and found objects, his work moves between darkness and light — a visual narrative shaped by a life of travel and a prior career in healthcare. The son of a Cuban refugee, Jackson paints from Button Factory Studio in Portsmouth, New Hampshire, and Portland, Maine, with work rooted in the coastal regions of Maine, New Hampshire, and the Outer Banks.
